

Application for the HCLP (Heart Centered Leadership Program) and to be an LCA Champion Team Leader Apprentice

What does it say about someone who is dedicated to accelerating up the wisdom curve and passionate about serving others in a meaningful way? This must be true about you if you have an interest in being a Champion Team Leader Apprentice! Your willingness to grow and to contribute to the lives of others in such an important way is such magnificent testimony about who are...and who you are becoming.

Here are the steps for an Apprentice to become a Certified LCA Champion Team Leader:

1. Complete this application and turn it in **before Session #7**, to the LCA Consultant who originally registered you. Please know there may be a limited number of apprentices accepted. If you are accepted, we ask that you commit to participating as a Champion Team Leader in at least one of the next two upcoming LCA's after your apprenticeship.
2. The next step is to complete a profoundly useful leadership training called the HCLP (Heart Centered Leadership Program). This 2 day weekend program shares specific tools that will show you how to bring the very best out in the people you care about. You will learn life skills that dramatically increase your clarity and power in communications. You will learn how to motivate others and you will discover the ins and outs of being a masterful Champion Team Leader in the LCA. There is no tuition charged to Champion Team Leaders or Apprentices for the HCLP, LCA Weekend or the LCA Ongoing Support System.
3. Your third step is to participate as an apprentice in the LCA Weekend and 7 Week Ongoing Support System that immediately follows your HCLP. You will be working with a mentor (a certified Champion Team Leader) who will support you in gradually taking the reins of leadership in your Champion Team. As an apprentice, you give yourself the gift of reviewing the LCA...and of course, there is nothing like supporting others in their personal development, to master your own. So that you will have an opportunity to integrate your new skills as soon as possible, we ask that you plan to assist in at least one of the two LCA's following your apprenticeship.
4. Upon successfully completing your apprenticeship, you will be certified as a Champion Team Leader. Certification, however, is not guaranteed.
